### Minutes:

1. It was noted that approved manpower is in place as per approval and process for procurement of equipment centrally by AAU, Guwahati and their supply and payment by respective centres has been initiated.
2. Dr Barman made a presentation on various aspects of implementation of the project at various centres, utilization of funds, training schedule, meetings to be conducted and collection of samples etc. He also presented a plan for allotment of state Govt. of NE region among four centres viz. AAU, Guwahati; ICAR RC-NEH; CAU, Tripura and ICAR NRC on Pigs.
3. A plan of sample collection from strategic locations to detect zoonotic/ trans-boundary pathogens/ diseases was also discussed.
4. It was also suggested that samples from various states to be analysed at RC NEH, Barapani, can be received at AAU, Guwahati for convenience of states which can be later on collected by RC NEH periodically.
