

Minutes of 50th meeting of the One Health Consortium

Venue: Virtual Mode

Topic: Nazareth Hospital

Date and time: 12th August 2022, 4.00 pm onwards

The meeting was attended by Dr Hegde, NIAB; Dr Barman, AAU, Guwahati; Dr Mawlong and Dr. Renee from Nazareth Hospital, Shillong and Dr Rawat.

Dr. Rawat briefed about the purpose and intimated that 1st year of the project will complete its tenure on 16th September, 2022 and therefore Dr Mawlong has time to utilize funds as per approval. He also mentioned about IBSC approval for proposal, status of sample collection, any confusion in SoPs and diagnostic kits required for identified diseases.

Dr. Mawlong intimated that samples are being collected and also tested too. More than 200 samples have been collected after six monthly review. Approved equipment has been procured. However, there is balance available under Recurring items. He was advised to use funds appropriately well before 16th September, 2022.

Since there is no IBSC in Nazareth Hospital, PI was suggested to constitute IBSC as per DBT requirement and if necessary seek assistance from Dr Arnab Sen or from Dr Barman, if required. SoPs and diagnostic kits have been finalized and PI is working accordingly.

Meeting ended with a vote of thanks.
