

Minutes of 57th meeting of the One Health Consortium

Venue: Virtual Mode

Topic: Review of work progress

Date and time: 1st December 2022, 3.00pm onwards

A meeting was organized to review the progress of One Health project on 1st December, 2022 at 3 PM onwards through video conferencing. List of participants is at Annexure.

Dr Rawat welcomed participants and on behalf of all collaborators congratulated Dr Subeer Majumdar for joining as Director General, GBU at Gandhinagar and Dr K.P.Singh as Joint Director, CADRAD, IVRI, Izatnagar. He mentioned that although Dr Subeer has joined a new organization, his active participation is essentially required not only to fulfill the objectives of this project but also for initiating future course of action in this area.

Dr Subeer in his remarks mentioned about his continuation as Coordinator of this project and expected full cooperation from all the collaborators. He showed his concern on slow progress particularly collection of samples by some of collaborators and on web site development. Dr Majumdar also intimated that next meeting of Review Committee will be held shortly and as desired by the committee in the last meeting, each collaborating centre will present progress individually.

This was followed by a discussion on the progress in sample collection, financial progress, website preparation, testing of samples, preparation of sampling plan for 2nd phase.

After discussion, following recommendations were emerged for action:

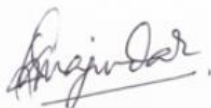

1. Dr. Suresh will share static format of website with all collaborators. This will be finalized by Dr Hegde, Prof. Bedi and Dr Nambi.
2. For developing dynamic aspect of website, collaborating centres will provide data to Dr Suresh for uploading.
3. Since, Secretary DBT will inaugurate website soon, data of NER region may be uploaded initially for the purpose. Website to be launched at NIAB website being a coordinating centre.
4. All centres were asked to open zero balance account in ICICI bank and in case of difficulty, may approach to contact person of ICICI bank, Delhi.
5. Once account is opened in ICICI Bank, return balance amount to CAN and intimate transaction details as per formats to CAN, Contact scientist of DBT, PAO, DBT. This will help DBT to issue reassigned funds to respective institute.
6. So far, financial documents of 14 centres have been sent to DBT for 2nd year release. Other centres were asked to do the needful and submit documents to NIAB as per formats. Draft scanned documents can be sent to Dr Rawat well before final submission.
7. Interest earned has to be submitted to Bharat Kosh and transaction details has to be recorded for future reference to DBT.
8. Sample collection of CCHF were discussed and keeping in view of availability of funds and number of samples to be collected, it was decided that Dr Suresh will revisit in

the process and in the meantime only sufficient samples may be collected from Gujrat, Rajasthan or other bordering states as per plan and test them as per availability of diagnostic kits.

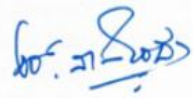

9. For JE, it was informed by various centres that approved kit is not providing correct diagnosis. After discussion, It was decided that this issue may be taken up with the supplier for replacement or for supplying kits for other diseases on case to case basis. Dr Himani Dhanze intimated that JE diagnostic kit developed by IVRI is giving correct diagnosis and agreed to test JE samples of other centres at IVRI.

10. It was decided that the centres who could not join meeting today, will be briefed about the follow up action/ recommendations.

Meeting ended with vote of thanks to all

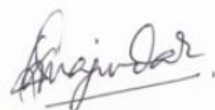

(Dr. Subeer Majumdar)

(Dr. Nagendra Hegde)
