

Minutes of 60th meeting of the One Health Consortium

Venue: NIVEDI

Topic: Website discussion

Date and time: 2nd December 2022, 10am-3pm

Attendees: Drs. KP Suresh, Nagendra Hegde

Minutes:

1. Dr. Hegde visited NIVEDI and discussed with their team on website development. Different tabs on the landing page were discussed and material provided by Dr. Hegde were requested to be uploaded on the appropriate places.
2. Dr. Suresh suggested that static part of the web site be taken care of NIAB and that NIVEDI would work on the dynamic part. For the latter, data in the form of Excel in the format that shall be finalized is to be sent to NIVEDI.
3. It was decided that there would be a two level authentication; one on the authenticity of data by NIAB and the second on the format of the data by NIVEDI. If the information shared by the investigators is not in conformity with either of these, the investigators will be contacted to correct them.
4. NIVEDI will write programs to data analysis once the format of the Excel sheet for inputting the data is finalized.
