

Minutes of the 71st meeting of the One Health Consortium Project

Venue: Videoconferencing

Date and Time: 24th April, 2024, 10.00 AM Onwards

The meeting was held under the Chairpersonship of Dr G. Taru Sharma, Director, NIAB and Co-Ordinator of the One Health project. List of participants is at Annexure I.

Dr G. Taru Sharma welcomed all the participants. She asked all the centres to take necessary action on the PMC recommendations and also on the recommendations of the last meeting held on April 8, 2024.

Dr Hegde and Dr Rawat took up a discussion on the agenda of the meeting and the following is a summary of the discussion:

1. Financial documents of the financial year 2023-24 have to be submitted by RMRC, Gorakhpur; DAHD, Kohima and DAHD, Guwahati. It was intimated by all concerned that the desired documents will be provided soon (Action: All concerned).
2. Requisite data is yet to be received in Google form as requested in the last meeting (Action: NIAB to share the Google Sheet and Centres to input the information).
3. SOPs to be vetted by a Committee (Action: NIAB has to submit SOPs to the nominated members for vetting).
4. Details of training, workshop, awareness programme, impact of project etc. to be provided in a prescribed format to NIAB (Action: Information to be sent by the end of the month).
5. Scan copies of regulatory clearances to be submitted, if not submitted so far (Action: All centres).
6. Sampling Plan for the 2nd Phase: This was discussed in length and it was decided that the sampling plan for the 2nd phase will be provided by Dr Suresh as soon as possible so that sample collection can be initiated at the earliest. As discussed in the last meeting, Dr Bardhan was contacted for his opinion and he has agreed the same. If there is any difference of opinion, it will be sorted out with all concerned.
7. Logo: Collaborating centres have started this activity and final inputs will be provided to NIAB (Action: All centres).

8. It was also decided to organize a physical meeting on the sampling plan for the 2nd phase and on leads obtained on Scrub typhus in IVRI and TANUVAS. This will be organised by IVRI (action: IVRI, Dr K.P. Singh).
9. Evaluation of Brucella diagnostic will be conducted at NIAB by the end of the month (Action: NIAB).

The meeting ended with a vote of thanks to all.

Jan
